Dear Members,

The Midterm Conference 2023 had been a great mesmerizing conglomeration of fellow minds together over the second weekend of April on the exotic sea beach of Tajpur. We had approximately 54 members along with their families and children culminating the number of attendees to 107. What I really felt is not the number of attendees but the quality of time spent together had been more appealing than anything else. What highlighted most in this Midterm Conference is the extra-curricular activities which had set the tone of the conference to an altogether different level. The Photo-walk organized by Dr. Saikat Jana, on behalf of the Photography Subcommittee started off in the early hours of dawn, when the sun was just rising in the horizon. We had approximately 12 members joining this walk with their cameras and mobiles. The photographs were thereafter judged and analyzed in the Beyond Ophthalmology Session. The Morning Awareness Walk was to commemorate Blindness Awareness Week which was from 1st-7th April 2023. The walk was from the venue to the beach, singing our way all throughout. This walk was participated by 35 members. We had the Badminton Championships, the Angling Competitions, and the Beach Volleyball Sessions all setting the tone of the mood to an energetic high level. The swimming pool and the air-rifle shootouts had been the most sought-after events for the children. The scientific sessions had been very rewarding with two National faculties, namely Dr. Tejas Shah and Dr. M Vanathi joining in for the program and enriching our experiences.

We now have a Fine Arts Subcommittee under the able chairmanship of Dr. Nilay Kumar Majumder. The basic aims and objectives are to enhance an interest in Fine Arts amongst our members; to do exhibitions of our own creations during the conferences; to take regular classes for members with professional groups to develop their interest; to encourage new members into Fine Arts.

A few more Society activities are in the pipeline but we will discuss them once they see the light of the day.

Dr. Debashis Das

Honorary Secretary 2022-2024

Ophthalmological Society of West Bengal.
