Dear Members,

There had been a host of activities which we noted that if we have specific subcommittees to attend to these issues, then these will give us a long-term effect over the years in a cumulative manner.

The first such issue is the group indemnity insurance for our members. Group Indemnity Insurance Subcommittee has been created. This Subcommittee will be chaired by Dr Sugato Paul. The aims and objectives of this subcommittee is to procure group indemnity insurance for our members; to check with multiple agents for better offers available for group insurance; to see if we incorporate their spouse and children even if in different specialty; and to maintain liaison and help the members in case of any litigation. The members of this subcommittee are Drs Aniruddha Maiti, Ayan Mohanta, Rakesh Gupta, Soumya Ghosh Kundu, John Sarkar, Soumyadeep Majumder, Sagnik Surya Das, Priyansha Chatterjee and Deepak Agarwal.

The second such issue is attention to the senior members of our Society, who are above 70 years of age. They had mentored our Society in their golden youth; now the onus is on us to take adequate care of them from our end. Thus, the Senior Members Subcommittee has been created. This Subcommittee will be chaired by Dr Parag Mukhopadhyay. The aims and objectives of this subcommittee will be to update the senior members on recent advances, news of society and seeking their blessings and advice if any on present activities; to associate them on forthcoming conferences with their consent; to enquire on their well-being by the committee members; to arrange special scientific programs to update them to bridge between the past and the present in a simplified way. The members in this subcommittee are Drs Mrinal Kanti Ghosh, Shoumyajyoti Dutta Majumder, Chandni Chakraborty, Saikat Kumar Jana and Ashis Majumdar.

The third such issue had been the Yoga and Sports activities of our society. We, being predominantly an academic society, never really delved into such activities earlier. The younger generation on the other hand are eager to participate in such activities if these activities had been called for. We created the Yoga and Sports Subcommittee. This subcommittee will be chaired by Dr Vedang Shah. The aim of this subcommittee will be to promote a healthy lifestyle for physical and mental well-being of our members and their families. The objectives of this subcommittee will be to conduct various sports activities across all age groups for our members; to foster team building skills; to improve speed, endurance, flexibility and develop self-discipline; to develop sportsmanship and foster friendships; to promote yoga and meditation for our members. The members of this subcommittee are Drs Shibashis Das, Sagnik Surya Das, Purban Ganguly, Arnab Pal, Basuparna Majumdar and Anujeet Paul.
